HIGH SPEED COMMERCIAL OVEN

The Amana® Veloci High Speed Commercial Oven

The new Amana® Veloci High Speed Oven is a revolution in cooking. Utilizing an innovative combination of convection, radiant and microwave technology, this oven allows operators to bake, toast, and crisp a variety of foods in just seconds. The perfect solution for kiosks, cafes, coffee shops, delis and concession areas.

Key Features

- ◆ Combination of radiant, convection and microwave to quickly toast and heat a variety of products.
- ◆ Pads can be preprogrammed for easy operation.
- ◆ 100 programmable menu items simplifies cooking and provides flexibility for menu changes.
- ◆ Automatic voltage sensor automatically adjusts for 208 V or 230 V installation.
- ◆ User-friendly controls require minimal user training.
- ◆ Stainless steel exterior is durable for years of commercial foodservice use.
- ◆ Nationwide service keeps any downtime to an absolute minimum.
- ◆ Limited 3-year warranty.

Put Time on Your Side

The Amana Veloci offers incredible value by combining quality, speed, flexibility and throughput. This time-saving oven allows employees to produce high-quality meals in a fraction of the time of conventional methods.

<u>Item</u>	<u>Estimated Cook Time</u>
6" Toasted Sub	17 seconds
Toasted Bagel	45 seconds
4-6 oz. Frozen Breaded Appetizers	60 seconds
6" Parbaked Pizza	90 seconds

A perfect choice for a variety of venues:

Kiosks - With a compact footprint, this versatile oven easily fits where other ovens won't.

Bars & Grills - Put yourself in the food business fast by serving sandwiches, personal pizzas and appetizers in minutes.

Coffee Shops - Serve up more than coffee by offering gourmet pizzas, specialty sandwiches, pastries, cookies and more.
